

Volume Educational Discounts

Ripple Training wants to give back to the educational community and encourage the next generation to learn and study Video Editing. To better support educational instructors, we offer our training tutorials for Final Cut Pro, Motion, and DaVinci Resolve at volume discount pricing for the classroom setting.

Option # 1: Purchase 3-10 tutorial(s) for evaluation purposes or for use in the classroom. One computer per tutorial purchased. This option is offered at a 20% discount to instructors that can be verified through their email and biography on their institution's website.

Option # 2: Purchase 11-30 tutorials for use in the classroom. One computer per tutorial purchased. This option is offered at a 30% discount to instructors that can be verified through their email and biography on their institution's website.

Option # 3: Purchase more than 30 tutorials. Please call 928-541-0202 to discuss special pricing.

Purchase orders: P.O.'s and W-9 requests can be sent to Ripple Training at the following contact information.
